INDORE.

23rd July 1913.

Dr. S.W. Mhatre, Licentiate of Medicine & Surgery who has been a Medical Practitioner in Bombay for nearly 10 years informs me that in response to an advertisement which has appeared in the "Times of India he has applied for the post of 'Personal Physician to His Highness the Maharaja Saheb Bahadur of Alwar. As he has asked me to write to you recommending him I take the liberty to say that Dr Mhatre has been known to me ever since he commenced practice in Bombay that, when I was in Bombay, he used to treat me and the members of my family. He is a very careful, patient and conscientious doctor and I have a great faith in him. He bears an excellent character. He is devoted to his profession and very careful both in diagnosis and treatment.

Yours sincerely

M.S.
